### **Achtung!**

Technische Geräte stellen einen beträchtlichen Wert dar. Sie sollten daher bei der Installation vorsichtig mit den Komponenten umgehen und diese bei Bedarf schützen.

Auch sollte, falls nötig, der Installtionsbereich abgesichert werden. Herabfallende Teile können zu Verletzungen und Materialschäden führen.

Die im Lieferumfang enthaltenen Materialien sind unter Umständen nicht für die speziellen Gegebenheiten am Installationsort geeignet. Bitte prüfen Sie dies vorab und ersetzen Sie diese bei Bedarf durch geeignete Materialien.

Falls Sie Bezüglich der Installation des Produkts unsicher sind oder noch Fragen haben wenden Sie sich an uns oder anderes ausgebildetes Fachpersonal.

### **Caution!**

Technical devices are of considerable value. You should therefore handle the components carefully during installation and protect them if necessary.

If necessary, the installation area should also be secured. Falling parts can cause injuries and material damage.

The materials included in the scope of delivery may not be suitable for the special conditions at the installation site. Please check this in advance and replace it with suitable materials if necessary.

If you are unsure about the installation of the product or have any questions, please contact us or other trained specialists.

Prüfen Sie vor der Montage  
die Eignung der Wand!

Check the suitability of the  
wall before installation!

Je nach Anzahl der Reihen und Größe der Bildschirme messen Sie die Abstände für die restlichen Schienen aus und befestigen Sie sie an der Wand. Bei zentralem Lochbild und VESA 600 / 400 x 400 mm Mitte Alu Rail + 1 mm.

Depending on the number of rows and size of screens measure out the distance apart for the remaining rails and mount them to wall. With central hole pattern and VESA 600 / 400 x 400 mm centre Alu Rail + 1 mm.

- 1.) Entfernen Sie den eingesteckten Inbusschlüssel aus der Halterung.  
Remove the Allen key from the bracket.
- 2.) Drücken Sie den Arm zusammen bis die Kugelsicherung einrastet.  
Push the pop-out arm until the ball joint snaps into place.

Bitte beachten Sie, dass der Pfeil nach oben zeigen muss. | Please note that the arrow must point upwards.
